Charming Curation

DESIGNER KATHRYN CRISP GREELEY TAKES READERS INSIDE HER BELOVED AND LOVINGLY DESIGNED HOME, CHESTNUT COTTAGE.

Step into the welcoming and elegant world of interior designer Kathryn Crisp Greeley and her charming home, Chestnut Cottage. *The Collected Cottage* is a richly produced volume with over 400 stunning photographs that will take readers on an intimate tour inside this lovingly curated house and its collections.

You'll join Greeley at memorable gatherings from Easter luncheons to outdoor teas to Christmas and New Year's Eve dinners. Exquisite and beautifully photographed tabletop inspiration pages showcase her impressive knowledge of the history of fabrics, crystal patterns, china makers, and more, while captivating original watercolors, illustrated menus, personal recipes, and tips on enjoying the simple pleasures of each season round out the treasures she offers her readers.

A trip to Kathryn Crisp Greeley's beloved Chestnut Cottage will leave lucky readers full of inspiration and dreaming of incorporating some of her timeless ideas into their own homes. As Greeley says, "Anything that you love is always a good choice."
